

KRISTINA VRAGOVIC

Full-Stack Web Developer

I seek to leverage my web development and communication skills to create immersive, interactive user experiences across platforms. Motivated by an inclusive, high-energy team environment that fosters curiosity and growth.

EXPERIENCE

Dev Bootcamp

Student

Apr. 2017 - Present

Zero to full-stack web dev in 18 weeks.

Association of Legal Administrators

Copywriter/Editor

Feb. 2015 - May 2017

Wrote and designed HTML/CSS emails and email templates weekly. Assisted in website redesign and produced microsites for association events in house CMS and style.

North American Company for Life and Health Insurance

Marketing Communications Specialist

Apr. 2013 - Feb. 2015

Managed, wrote, and edited projects targeting consumers and insurance agents. Planned marketing campaigns and edited emails and landing pages in HTML.

Chicago Magazine

Editorial Assistant (Dining Department)

Sept. 2012 - Apr. 2013

Researched and fact-checked monthly articles for 150,000-circulation print edition.
