

# KRISTINA VRAGOVIC

## Full-Stack Web Developer

From publishing to marketing to web development, my career has been a journey of considering great ideas from authors, teams, and peers and helping them come to life. I'm motivated by inclusive, high-energy teams that foster curiosity and growth.

## EXPERIENCE

### Dev Bootcamp

#### Mentor

Aug. 2017 - Present

I help students to learn new programming concepts and tech stacks through the socratic method and pair programming.

### Dev Bootcamp

#### Student

Apr. - Aug. 2017

This intensive training program for web developers focuses on OOD, TDD, empathetic teamwork, and pair programming.

### Association of Legal Administrators

#### Copywriter/Editor

Feb. 2015 - May 2017

Wrote and designed HTML/CSS emails and email templates and produced microsites for association events in house CMS and style.

### North American Company for Life and Health Insurance

#### Marketing Communications Specialist

Apr. 2013 - Feb. 2015

Brainstormed, planned, and managed digital marketing campaigns; edited emails and landing pages in HTML/CSS.
